

SEVERE TROPICAL STORM PAENG

The Low Pressure Area (LPA) east of Eastern Visayas that became Tropical Depression (TD) "Paeng" on October 26, 2022. On October 27, 2022, as it moved across the Philippine Sea, it became a Tropical Storm (TS). Tropical Storm Nalgae (local name Paeng) made landfall on Friday, October 28, 2022 in Zamboang City. With 255 afflicted people, Barangay Ayala lagged behind; the remaining families came from the nearby villages of San Jose Gusu, Tictabon, Tugbungan, and Pamucutan. Families that had been uprooted were temporarily housed in gyms, covered courts, schools, and churches... Along with the Government of Zamboanga, Mayor John Dalipe and Vice Mayor, Pinpin Pareja together with Senator, Risa Hontiveros, visited Barangay Ayala and offered help to the affected community, ("TS PAENG RESPONSE AND EMERGENCY EARLY RECOVERY CARAVAN"). The aforementioned event took place at, Ayala National High School, at the MPCC on November Government 11, 2022. and government organizations provided free services, food, financial aid, and relief products to the affected residents. This activity's primary goal is to provide equitable, effective and efficient health care service throu<mark>gh the execution of</mark> medical and dental missions in collaboration with local government entities, non-government organizations, civic associations, religious institutions and other government agencies, as proposed the authorized by management.

There are a lot of people who attended the said event, most especially the affected families of typhoon Paeng. The Principal of Ayala National High School welcomed the affected families with wide open arms. The Supreme Student of Government (SSG) was also present in the said event. It's indeed a very tragic to the people of Zamboanga. Luckily amidst of everything, we as Filipino's the spirit of thoughtfulness and our love for everyone will always be alive in each and every one of us. Indeed in every storm that we will encounter, as long as we will work hand in hand, we will always overcome any challenges that we will face along the way.
